

Alte Sfere presents WinteRace

Appointment in Cortina d'Ampezzo from the 22nd to the 24th of February 2013

From the 22nd to the 24th of February 2013, the “Queen of the Dolomites” will give hospitality to the first edition of WinteRace, CSAI Regularity Race reserved only for cars built within 1972 and organized by Alte Sfere, where crews will challenge each other along a route of 398,20 km which provides for 36 tests where time will be kept at the centiseconds, 7 average tests at the tenth of a second to the total of 21 timekeeping and 9 time controls.

Enrollments have been opened on the 12th of November and they will close on the 31st of January 2013.

The innovative race from sporting aspects will include photocells timekeeping and average tests, which are spread in most parts of Europe, and it will try also well-known crews. Furthermore there will be as amusing as challenging tests on snowy racetracks in Fiames and in Palus.

The crew that will obtain the best result of the competition by adding photocells and average tests will be the winner.

The first leg on Friday 22nd February, after technical checks during the morning from 8.00am to 12.30pm at historic Grand Hotel Savoia, will start at 14.30pm from the centre of Cortina d'Ampezzo. Historic cars will direct to Pass Falzarego, crossing Arabba to Pass Pordoi and will arrive to charming Canazei; they will go on to Predazzo crossing Pass Valles to arrive at suggestive Selva di Cadore. The last scheduled pass for the first day of race is Pass Giau to end at San Vito di Cadore, to the Chalet del Lago where sporting dinner will take place.

On Saturday the start is expected at 8.30am always from Cortina. Crews will head for Pass Giau, crossing Selva di Cadore and recrossing Cortina at about 11.00am to continue in the direction of Pass Tre Croci, Misurina, Auronzo and Pass Monte Croce di Comelico where lunch break will take place, San Candido, Dobbiaco, Fiammes to come back to Cortina at 16.00pm, where cars will be presented to the public.

Prestigious brands, loyal to Alte Sferre team, will join this initiative: the Main Sponsor will be the renowned watchmaking house Eberhard & Co., followed by Bark, a young Made in Italy clothing brand, Beat37, communication agency specialized in high profile brand, Centro Porsche Padova, the Grand Hotel Savoia, historic 5 star Grand Hotel in Cortina d'Ampezzo, Vp Bank, private banking in Luxemburg and Petruzzi&Branca, prestigious realty of Italian silverware and Zagliani, excellence brand in the market of accessorizes realized with precious skins.

After the collaboration with the Coppa d'Oro delle Dolomiti, the presence of Mille Miglia Museum of Brescia continues also for the first edition of the WinteRace, contributing with a trophy for the 1° classified crew.

WinteRace is a valid race for AIDO Historic Challenge 2013, instituted by some of the most famous organizing committees of classical regularity race in order to give greater visibility and support to the mission of the homonymous Italian Association for the Donation of Organs.
