ASTON MARTIN VERONA OFFICIAL PARTNER OF WINTERACE 2025

Aston Martin Verona, an official Aston Martin Lagonda dealership, is a benchmark for automotive excellence in northeastern Italy. Part of the Benati Group, which has been active in the Verona area since the 1950s, the dealership stands out for its commitment to customer service, exclusive experiences, and passion for high-end automobiles.

In line with this vision, Aston Martin Verona proudly renews its partnership with WinteRace 2025, the prestigious regularity race taking place from March 13th to 15th in Cortina d'Ampezzo. This event perfectly blends the timeless allure of classic cars with the elegance of modern supercars, set against the breathtaking backdrop of the snow-capped Dolomites.

Throughout the event, in front of the Grand Hotel Savoia, some of the most iconic models in the Aston Martin range will be on display: the Aston Martin Vantage, embodying the essence of British sportsmanship; the Super Tourer DB12, the ultimate expression of luxury and performance; and the DBX707, known as the Supercar of SUVs, thanks to its unparalleled power and dynamic capabilities.

In addition to the display, WinteRace guests will have the opportunity to enjoy an exclusive driving experience aboard a selection of Aston Martin models, immersing themselves in the brand's unmistakable blend of craftsmanship, technology, and driving pleasure.

The event will also serve as an occasion to celebrate one of the most highly anticipated new models from the brand: the all-new Aston Martin Vanquish. This extraordinary car marks the return of a legendary name in the supercar world, striking the perfect balance between tradition and innovation. With its breathtaking V12 engine and sculpted design, it embodies the future of the Gaydon-based marque.

The collaboration between Aston Martin Verona and WinteRace is built on a shared vision: to elevate automotive excellence through an exclusive experience that combines competition, style, and passion. This event is not only a highlight for participants but also a prestigious showcase for the discerning audience that chooses Cortina d'Ampezzo as a premier destination year after year.
